À La Carte Coffee Venue Operations and Compliance Information

Vendor agrees to comply with all venue rules, regulations, policies, and onsite coordinator directives while providing services at the event location.

Setup, Breakdown & Access

Vendor will arrive at the agreed upon time for setup and will complete breakdown promptly following service. Vendor requires only the space outlined in the planner information sheet and will not obstruct exits, walkways, or guest flow.

Power, Utilities & Equipment

Vendor requires the use of one 110v outlet and will only use approved power sources as designated by the venue.

Cleanliness & Restoration

Vendor agrees to maintain a clean service area throughout the event and will leave the venue space in the same or better condition than it was found. All trash generated by the vendor will be removed or disposed of as directed by the venue.

Noise & Guest Experience

Vendor equipment operates at low noise levels appropriate for formal and professional events. Vendor staff will conduct themselves in a courteous, professional manner at all times.

Food & Beverage Handling

All beverages are prepared onsite using food safe practices. Vendor complies with applicable health, food handling, and safety regulations.

Insurance & Liability

Vendor maintains general liability insurance and can provide a Certificate of Insurance naming the venue as additionally insured upon request.

Indemnification

Vendor agrees to indemnify and hold harmless the venue, its owners, employees, and agents from any claims, damages, or liabilities arising from the vendor's operations, except in cases of venue negligence.

Damage Responsibility

Vendor is responsible for any damage to venue property caused by vendor equipment or staff and agrees to promptly report any incidents to venue management.

Preferred Vendor Consideration

Vendor welcomes coordination with venue management and event planners and is open to preferred vendor partnerships where applicable.
